VEGETABLE PLANTS IN ABUNDANCE

We wish it to be distinctly understood that while we take every precaution to have all plants and bulbs true to name, we give no warranty, express or implied, as to description, quality, productiveness, or any other matter, of any of the plants or bulbs we send out, and will not in any way be responsible for the crop. Every order we receive will be executed on these conditions only, and they must be accepted by the customer when ordering.
